

Durham Wildlife Trust Visitor Engagement Volunteer

Bring your passion for wildlife and conservation and join our volunteer team at Durham Wildlife Trust as a Visitor Engagement Volunteer

What's involved?

- Supporting the income generation team and visitor centre assistants with their events.
- Being an ambassador for Durham Wildlife Trust.
- Promoting and impassioning the wildlife and wider benefits of the nature reserve
- Attending events on the day, helping with car parking, sign-in, entrance fees and general tasks.
- Talking to members of the public about membership, signposting them and being a welcoming face for the site.
- Helping to keep entrance areas and bathrooms clean and tidy and keep the visitor centre looking welcoming.
- Focus on weekends and schools holidays, when the site is busiest.
- Daily site upkeep, including litter picking, emptying of bins and upkeep of signage.

What will you get out of it?

- Learn about different wildlife and the work of Durham Wildlife Trust.
- Gain confidence in speaking to people.
- Helping to raise income for wildlife conservation from Tees to Tyne.
- Be part of a wonderful team of staff and volunteers.
- Gain friendship and socialization.

What skills do I need?

- An interest in and enthusiasm for wildlife.
 - Good initiative and ability to recognise an opportunity.
 - Good communication skills and confidence in speaking to people.
 - Reliable and hardworking.
 - The ability to organise and empower people to take action.
-
- **How much time should I give?** We are looking currently for individuals for weekends and school holidays.

Apply today by completing an online application form.

We'll contact you to discuss your application and the role in more detail, and answer questions.

Contact Zoe Hull on 0191 584 3112 or volunteering@durhamwt.co.uk to find out more.

Our volunteers play an integral role in what we do, from the management of reserves to helping with administration duties. We are always looking for willing volunteers who share our passion for wildlife, conservation and broadening awareness.
